MEDICAL EDUCATION

MEDICAL EDUCATION

Medical Education offers Education in Health care delivery . And if you are interested in a career in Medical Education , your timing couldn't be just better as Opportunities waits as medical education reinvents itesf . Unlike old days to be a medical education is like an investment that will pay of in spade as today doctors bring in most money than any other profession . In the post covid Era . Medical profession is most respected and pious profession saving lives in the world . And has been the true soldiers of Humanity. WHO recommends 1 Doctor for every 1000 patients , whereas India has 1 Doctor for every 11082 patients , which quantifies the need for new Doctors in the NEW India. So Medical education can give everything to lead a luxury life and Serve the society simultaneously

MEDICAL CAREER

Part 2:

Courses Offered :

MEDICAL CARRER

HMC , Abohar

B.H.M.S

(Bachelor of Homeopathic Medicine
and Surgery)

PIA , Abohar

B.A.M.S

(Bachelor of Ayurvedic Medicine
and Surgery)

Part 3:

Scope

B.H.M.S

BHMS is the course that deals with the practice of Alternative medicine called Homeopathy . Homeopathy is rocket mode these days as patients are sad and feeling betrayed with the pain and hole in the pocket that modern system of medicine has put .Hence BHMS has become very popular these days

B.A.M.S

B.A.M.S I.e Bachelor of Ayurvedic Medicine and surgery is the branch of Medical science that deals with the study of Ayurvedic medicine and its importance in life . Ayurved is not just a medical science , rather it is an art of life itself . That teaches you to live a healthy life . Ayurved is the oldest form of science based on the Indian system of Science . Only a very few or handful of the lucky ones get a chance to study BAMS .

Why US ?

It is a very important and confusing for every child or medical aspirant to decide the college or medical institute to be a partner in his unforgettable journey of becoming a medical professional . At PIA we shape raw stones to sharp cut polished Diamonds , and brings out the full potential of the students in need of a catalyst.

HMC ABOHAR

HMC Abohar , is one of the best Homeopathic Medical college for Doing BHMS , established in 1972 HMC Abohar is the oldest Homeopathic Medical College in Punjab . Having Produced thousands of Homeopathic Doctors in the years until now, HMC Abohar proud to have some of the best Homeopaths in India listed as Alumni . HMC Abohar has been awarded to have best Repertory Department PAN India for the last 15 years . With some of the very best Doctors as Associate Professor's and Professor's in the college , college bags most number of Gold medals from the university . Students of the college have been securing 1st position in the university for the past 10 years consecutively

JOIN HMC

PIA Abohar

At PIA Abohar we carve diamonds out of rough cut stones . We help medical aspirants become Established Ayurvedic Practitioners .

**Alternative Medicine or AYUSH is a viable alternative
And to make our student's accepted In International
Space .**

The more doctors we have in international space , the more need has existed for common platform accepted by international Authorities . Hence we have introduced Cosmetology and Trichology in collaboration with German institute to help our students become doctors internationally accepted .

Support and funding at the organizational level to help us build a team Of dedicated doctors that serve the society

We are well on our way to building a system which helps in creation of a morally upright perfect Medical Practitioner which not just serves the society with care but brings out innovative ways to end the pain in society

To unleash the true potential of a person requires in-depth awakening and Best Teaching Practices

Our roster of Senior doctors and Teaching professionals help in complete transformation and enriched knowledge package that helps the students to reach there 100% and then retain that experience in dedication to medical profession

We are aiming to transform the Indifference

Today there are many colleges each with their own set of strengths but none of them are working at the indifference of AYUSH Practitioners , we aim at transforming the general indifference to AYUSH practitioners by providing them techniques recognised by International Practitioners .

We Equip doctors with universal Norms

While our efforts are currently focusing on students who are already likely to offer services in medical field , we need to equip all the medical students with technology and knowledge that will bring them at par with other International medical Practitioners

New Strategy and Shining Future for new medical professionals.

India is to triple the number of medical professionals in the country by the end of 2024 and to counter the increasing demand of medical requirements and threats country is facing in a post COVID era and for that purpose , we need specialists and general practitioners alike. Most importantly to make an presence in the international Medical space , India needs to have some thing Authentic , something upon which India can pose ownership or claim to be their, Hence India has got “AYUSH ” most importantly Ayurveda in there Arsenal . And with consistent efforts Ayurveda is now recognised in many countries .And Ayush experts are deputed to foreign countries to promote Ayurveda . So students opting for Ayurved or Homeopathy have bright future provide right direction by teaching Institutes .

MEDICAL
EDUCATION

Placements.

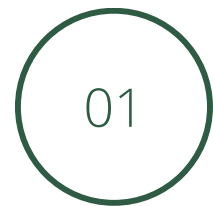

Our first key focus.

Support and funding at the organizational level helped us build a dedicated team / Bank of recruiters which help us reach our goal of 100% Placements

We are well the only Medical Institute in The AYUSH System of Medicine to provide 100% placement to all interested students looking for Placement . On our way to building this dream team of expert recruitment professionals in the medical field we have a robust placement team which is always there to help you build dream career.
